

HEAD OF THE LAKES BEEKEEPING ASSOCIATION

Sustainable Beekeeping through Science & Cooperation

Founded in 2019, The Head of the Lakes Beekeeping Association is a community driven organization of local beekeepers promoting and educating each other and others regarding sustainable beekeeping practices. We recognize

the challenges faced by bees and beekeepers alike and are committed to the success of all our members. We invite all levels of experience of beekeepers in Northern Wisconsin and Northeastern Minnesota and meet on the second Thursday of the month.

MEMBERSHIP BENEFITS:

Monthly Meetings with the focused educational topics from experienced beekeepers and educators

Discounts from our sponsors; Hansen Honey Farm and Dan's Feed Bin

Access to honey extraction equipment
