

2022 Group/Club Package Bee & Queen Prices

We will be getting our package bees from Northern California again this spring. We will be working with multiple producers to bring you a variety of lines and genetics. We buy from producers focusing on hygienic behavior, gentle temperament, and good honey production. Queen types will be a choice of Italian or Carniolan on a first come, first served basis at time of pick up. We are not able to guarantee any queen type preferences.

Extra Queens will be available after first package bee delivery through late Summer. We plan to have *Saskatraz*, *Buckfast* and *Caucasian Queens* available again later in the spring. We will ship* your queen order in the order they were received. We ship Monday – Thursday. *Additional shipping charges may be required
